WELCOME BACK, BURGER FANS!

We are excited to share that Anderson House is now the lead on PEI's most popular foodie event, and PEI Burger Love is back this April as an exclusive fundraising event for our organization. To have PEI Burger Love return bigger than ever, restaurants were not required to pay registration fees to participate. Instead, they are donating \$1 for each of their burgers sold to Anderson House as their commitment with PEI Burger Love. All burgers are 'Give Back Burgers' which will allow us to fund new and innovative programming.
